Leela Krishna Nimmalapudi

leelakrishnachowdary21171@gmail.com

// From trying to figure out weird stuff in OG Engineering Graphics to surviving core subs that hit us like a truck, it's been a wild ride. Assignments? Straight-up villains. No ChatGPT to save us—just caffeine, panic, and questionable decisions. Those 8 AM treks? More like morning torture, but we still made it. Mega nights? Chaos in the best way possible. Goa ('Industry Visit')? Zero work, all vibes. Here's to the chaos, the squad, and the memories we'll laugh about long after those 8 AM alarms (and still wondering why we agreed to those early classes)!

Lekshmi Jyothish
